

U.S.A. Patriot Act Identity Verification Notice

On October 26, 2001, President Bush signed into law the U.S.A. Patriot Act. The purpose of this law is to help protect you, your family, and our country from terrorism. Preventing terrorist financing is one way we can help prevent terrorism. We want you to know that section 326 of this Act requires our credit union to verify the identity of all new credit union members. We must also verify the identity of members and nonmembers added as signatures to, and who have access to, new or existing deposit accounts and loans. We must also retain copies of documents used to verify your identity.

If you are an existing member who joined the credit union before the U.S.A. Patriot Act rules became effective, we may also need to verify and retain copies of any documents used to verify your identity when you request a new deposit account, apply for a loan, or are added as a signatory to a new or existing deposit or loan account.

We ask for your understanding as we work to support these efforts to maintain the security of your funds and our country. Please speak with a credit union staff member if you have any questions or concerns about our identity verification policies.
